Duval CAD
Review Questions and Answers

This review is conducted in accordance with Tax Code Section 5.102(a) and related Comptroller Rule 9.301. The Comptroller is required to review appraisal district:

- governance;
- taxpayer assistance;
- operating procedures; and
- appraisal standards, procedures and methodology.

Each CAD is reviewed every other year. This report details the results of the review for the appraisal district named above.

Because of the diversity of property within Texas, some parts of the review may not be applicable to a county. If questions or a section of questions do not apply, such as when a county has no timber, the question or questions will be marked as “Not Applicable” and the final score will not be negatively impacted by these questions. Some questions will be marked as "Not Evaluated" when an appraisal district meets the criteria set forth in the Methods and Assistance Program review guidelines.
