PROTECTION AGAINST LOSS OF FUTURE DISTRICT REVENUES

Section 3.1. INTENT OF THE PARTIES

Subject to the limitations contained in this Agreement (including Section 5.1), it is the intent of the Parties that the District shall, in accordance with the provisions of Tex. Tax Code §313.027(f)(1), be compensated by the Applicant for any loss that the District incurs in its Maintenance and Operations Revenue as a result of, or on account of, entering into this Agreement, after taking into account any payments to be made under this Agreement. Such payments shall be independent of, and in addition to, such other payments as set forth in Article IV. Subject to the limitations contained in this Agreement (including Section 5.1), it is the intent of the Parties that the risk of any negative financial consequence to the District in making the decision to enter into this Agreement will be borne by the Applicant and not by the District.

Section 3.2. CALCULATING THE AMOUNT OF LOSS OF REVENUES BY THE DISTRICT

Subject to the provisions of Sections 5.1 and 5.2, the amount to be paid by the Applicant to compensate the District for loss of Maintenance and Operations Revenue resulting from, or on account of, this Agreement for each year during the term of this Agreement (the "M&O Amount") shall be determined in compliance with the Applicable School Finance Law in effect for such year and according to the following formula:

The M&O Amount owed by the Applicant to District means the Original M&O Revenue *minus* the New M&O Revenue;

Where:

- i. "Original M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District would have received for the school year under the Applicable School Finance Law had this Agreement not been entered into by the Parties and the Qualified Property and/or Qualified Investment been subject to the ad valorem maintenance & operations tax.
- ii. "New M&O Revenue" means the total State and local Maintenance & Operations Revenue that the District actually received for such school year.

In making the calculations required by this Section 3.2:

- i. The Taxable Value of property for each school year will be determined under the Applicable School Finance Law.

- ii. For purposes of this calculation, the tax collection rate on the Applicant's Qualified Property and/or the Applicant's Qualified Investment will be presumed to be one hundred percent (100%)
- iii. If, for any year of this Agreement, the difference between the Original M&O Revenue and the New M&O Revenue as calculated under this Section 3.2 results in a negative number, the negative number will be considered to be zero.
- iv. All calculations made for years three (3) through ten (10) of this Agreement under Section 3.2, Subsection *ii* of this Agreement will reflect the Tax Limitation Amount for such year.
- v. All calculations made under this Section 3.2 shall be made by a methodology which isolates only the revenue impact caused by this Agreement. Applicant shall not be responsible to reimburse the District for other revenue losses created by other agreements or any other factors.

Section 3.3. COMPENSATION FOR LOSS OF OTHER REVENUES

In addition to the amounts determined pursuant to Section 3.2 above, and to the extent provided in Section 6.3, the Applicant, on an annual basis, shall also indemnify and reimburse the District for the following:

Section 3.4. CALCULATIONS TO BE MADE BY THIRD PARTY

All calculations under this Agreement shall be made annually by an independent third party (the "Third Party") jointly approved each year by the District and the Applicant. If the

Immediately upon receipt of the valuation information by the District, the District shall submit the valuation information to the Third Party selected under Section 3.4. The certified tax roll data shall form the basis of the calculation of any and all amounts due under this Agreement. All other data utilized by the Third Party to make the calculations contemplated by this Agreement shall be based upon the best available current estimates. The data utilized by the Third Party shall be adjusted from time to time by the Third Party to reflect actual amounts, subsequent adjustments by the Brazoria County Appraisal District to the District's certified tax roll or any other changes in student counts, tax collections, or other data.

Section 3.6. DELIVERY OF CALCULATIONS

On or before November 1 of each year for which this Agreement is effective, the Third Party appointed pursuant to Section 3.4 of this Agreement shall forward to the Parties a certification containing the calculations required under Sections 3.2 and/or 3.3 of this Agreement in sufficient detail to allow the Parties to understand the manner in which the calculations were made. The Third Party shall simultaneously submit his, her or its invoice for fees for services rendered to the Parties, if any fees are being claimed. Upon reasonable prior notice, the employees and agents of the Applicant shall have access, at all reasonable times, to the Third Party's offices, personnel, books, records, and correspondence pertaining to the calculation and fee for the purpose of verification. The Third Party shall maintain supporting data consistent with generally accepted accounting practices, and the employees and agents of the Applicant shall have the right to reproduce and retain for purpose of audit, any of these documents. The Third Party shall preserve all documents pertaining to the calculation and fee for a period of three (3) years after payment. The Applicant shall not be liable for any of Third Party's costs resulting from an audit of the Third Party's books, records, correspondence, or work papers pertaining to the calculations contemplated by this Agreement or the fee paid by the Applicant to the Third Party pursuant to Section 3.7, if such fee is timely paid.

Section 3.7. PAYMENT BY APPLICANT

The Applicant shall pay any amount determined to be due and owing to the District under this Agreement on or before the January 31 next following the tax levy for each year for which this Agreement is effective. By such date, the Applicant shall also pay any amount billed by the Third Party for all calculations under this Agreement, plus any reasonable and necessary legal expenses paid by the District to its attorneys, auditors, or financial consultants for the preparation and filing of any financial reports, disclosures, or tax credit or other reimbursement applications filed with or sent to the State of Texas which are, or may be required under the terms or because

of the execution of this Agreement. In no year shall the Applicant be responsible for the payment of any total expenses under this Section in excess of Ten Thousand Dollars (\$10,000.00).

Section 3.8. RESOLUTION OF DISPUTES

Pursuant to Section 3.4 and Section 3.6, should the Applicant disagree with the certification containing the calculations, the Applicant may appeal the findings, in writing, to the Third Party within thirty (30) days of receipt of the certification. Within thirty (30) days of receipt of the Applicant's appeal, the Third Party will issue, in writing, a final determination of the certification containing the calculations. Thereafter, the Applicant may appeal the final determination of certification containing the calculations to the District. Any appeal by the Applicant of the final determination of the Third Party may be made, in writing, to the Brazosport Independent School District Board of Trustees within thirty (30) days of the final determination of certification containing the calculations.

Section 3.9. EFFECT OF PROPERTY VALUE APPEAL OR OTHER ADJUSTMENT

In the event that, at the time the Third Party selected under Section 3.4 makes its calculations under this Agreement, Applicant has appealed the taxable values placed by the County Appraisal District on the Qualified Property, and the appeal of the appraised values are unresolved, the Third Party shall base its calculations upon the values placed upon the Qualified Property by the County Appraisal District.

In the event that the result of an appraisal appeal or for any other reason, the Taxable Value of the Applicant's Qualified Investment and/or the Applicant's Qualified Property is changed, once the determination of a new value becomes final, the Parties shall immediately notify the Third Party who shall immediately issue new calculations for the applicable year or years. In the event the new calculations result in the change of any amount payable by the Applicant under this Agreement, the party from whom the adjustment is payable shall remit such amounts to the counter-party within thirty (30) days of the receipt of the new calculations from the Third Party.

Section 3.10. EFFECT OF STATUTORY CHANGES

Notwithstanding any other provision in this Agreement, but subject to the limitations contained in Section 5.1, in the event that, by virtue of statutory changes to the Applicable School Finance Law, administrative interpretations by the Comptroller, Commissioner of Education, or the Texas Education Agency, or for any other reason attributable to statutory change, the District will receive less Maintenance and Operations Revenue, or, if applicable, will be required to increase its payment of funds to the State, because of its participation in this Agreement, Applicant shall make payments to the District, up to the revenue protection amount limit set forth in Section 5.1, that are necessary to offset any negative impact on the District as a result of its participation in this Agreement. Such calculation shall take into account any adjustments to the amount calculated for the current fiscal year that should be made in order to reflect the actual impact on the District.

ARTICLE IV

Section 4.1. INTENT OF PARTIES WITH RESPECT TO SUPPLEMENTAL PAYMENTS

(a) Amounts Exclusive of Indemnity Amounts

In addition to undertaking the responsibility for the payment of all of the amounts set forth under Article III, and as further consideration for the execution of this Agreement by the District, the Applicant shall also be responsible for the Supplemental Payments set forth in this Article IV. Applicant shall not be responsible to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement for limitation on appraised value made pursuant to Chapter 313, Tex. Tax Code, unless it is explicitly set forth in this Agreement. It is the express intent of the Parties that the obligation for Supplemental Payments under this Article IV are separate and independent of the obligation of the Applicant to pay the amounts described in Article III; provided, however, that all payments under Articles III and IV are subject to the limitations contained in Section 5.1, and that all payments under Article IV are subject to the separate limitations contained in Section 4.4.

(b) Adherence to Statutory Limits on Supplemental Payments

It is the express intent of the parties that any Supplemental Payments made to or on behalf of the District by Applicant, under this Article IV, shall not exceed the limit imposed by the provisions of Tex. Tax Code 313.027(i) unless that limit is increased by the Legislature at a future date.

Section 4.2. STIPULATED SUPPLEMENTAL PAYMENT AMOUNT - SUBJECT TO AGGREGATE LIMIT

During the term of this Agreement, the District shall not be entitled to receive Supplemental Payments that exceed the lesser of:

- (a) Applicant's Stipulated Supplemental Payment Amount, defined as ten percent (10%) of the Applicant's Net Tax Benefit, as the term is defined in Section 1.3, above; or,
- (b) the Aggregate Limit, as the term is defined in Section 1.3, above.

Section 4.3. ANNUAL CALCULATION OF STIPULATED SUPPLEMENTAL PAYMENT AMOUNT

The Parties agree that for each Tax Year of this Agreement, beginning with the third full year (Tax Year 2016) the Stipulated Supplemental Payment amount, described in Section 4.2 will annually be calculated based upon the then most current estimate of tax savings to the

Applicant, which will be made, based upon assumptions of student counts, tax collections, and other applicable data, in accordance with the following formula:

Taxable Value of the Applicant's Qualified Property for such Tax Year had this Agreement not been entered into by the Parties (i.e., the Taxable Value of the Applicant's Qualified Property used for the District's interest and sinking fund tax purposes for such Tax Year, or school taxes due to any other governmental entity, including the State of Texas, for such Tax Year);

Minus,

The Taxable Value of the Applicant's Qualified Property for such Tax Year after giving effect to this Agreement (i.e., the Taxable Value of the Applicant's Qualified Property used for the District's maintenance and operations tax purposes for such Tax Year, or school taxes due to any other governmental entity, including the State of Texas, for such Tax Year);

Multiplied by,

The District's maintenance and operations tax rate for such Tax Year, or the school tax rate of any other governmental entity, including the State of Texas, for such Tax Year;

Plus,

Any Tax Credit received by the Applicant with respect to such Tax Year;

Minus,

Any amounts previously paid to the District under Article III;

Multiplied by,

The number 0.1;

Minus,

Any amounts previously paid to the District under Sections 4.2 and 4.3 with respect to such Tax Year.

In the event that there are changes in the data upon which the calculations set forth herein are made, the Third Party described in Section 3.4, above, shall adjust the Stipulated Supplemental Payment amount calculation to reflect any changes in the data.

Section 4.4. CALCULATION OF ANNUAL SUPPLEMENTAL PAYMENTS TO THE DISTRICT AND APPLICATION OF AGGREGATE LIMIT

For each year of, for each year of this Agreement, beginning with year three (Tax Year 2016) and continuing thereafter through year thirteen (Tax Year 2026), the District, or its Successor Beneficiary should one be designated under Section 4.6, below, shall not be entitled to receive Supplemental Payments, computed under Sections 4.2 and 4.3, above, that exceed the Aggregate Limit, defined in Section 1.3, above.

If, for any year of this Agreement the payment of Applicant's Stipulated Supplemental Payment amount, calculated under sections 4.2 and 4.3. above, exceeds the Aggregate Limit for that year, the difference between the Stipulated Supplemental Payment amount and the Aggregate Limit, shall be carried forward from year-to-year into subsequent years of this Agreement, and to the extent not limited by the Aggregate Limit in any subsequent year of this Agreement, shall be paid to the District.

Any Stipulated Supplemental Payment amount, which cannot be made to the District prior to the end of year thirteen (Tax Year 2026), because such payment would exceed the Aggregate Limit will be deemed to have been cancelled by operation of law.

Section 4.5. PROCEDURES FOR SUPPLEMENTAL PAYMENT CALCULATIONS

- (a) All calculations required by this Article, including but not limited to: the calculation of the Stipulated Supplemental Payment amount; the determination of both the Annual Limit and the Aggregate Limit; the effect, if any, of the Aggregate Limit upon the actual amount of Supplemental Payments eligible to be paid to the District by the Applicant; and the carry forward and accumulation of any Stipulated Supplemental Payment amounts unpaid by Applicant due to the Aggregate Limit in previous years, shall be calculated by the Third Party selected pursuant to Section 3.4.
- (b) The calculations made by the Third Party shall be made at the same time and on the same schedule as the calculations made pursuant to Section 3.6.
- (c) The payment of all amounts due under this Article shall be made at the time set forth in Section 3.7.

Section 4.6. DISTRICT'S OPTION TO DESIGNATE SUCCESSOR BENEFICIARY

At any time during this Agreement, the District's Board of Trustees may, in its sole discretion, so long as such decision does not result in additional costs to Applicant under this Agreement, direct that Applicant's payment obligations under this Article IV be made to its educational foundation, or to a similar entity. The alternative entity may only use such funds received under this Article to support the educational mission of the District and its students. Any designation of an alternative entity must be made by recorded vote of the District's Board of Trustees at a properly posted public Board meeting. Any such designation will become effective

after public vote and the delivery of notice of said vote in conformance with the provisions of Section 6.1, below. Such designation may be rescinded by the District's Board of Trustees, by Board action, at any time.

Any designation of a successor beneficiary under this Section shall not alter the Aggregate Limitation on Supplemental payments described in Section 4.4, above.

ARTICLE V

ANNUAL LIMITATION OF PAYMENTS BY APPLICANT

SECTION 5.1. ANNUAL LIMITATION AFTER FIRST THREE YEARS

Notwithstanding anything contained in this Agreement to the contrary, and with respect to each Tax Year during the term of this Agreement after the 2016 Tax Year, in no event shall (i) the sum of the maintenance and operations ad valorem taxes paid by the Applicant to the District for such Tax Year, plus the sum of all payments otherwise due from the Applicant to the District under Articles III and IV with respect to such Tax Year, exceed (ii) the amount of the maintenance and operations ad valorem taxes that the Applicant would have paid to the District for such Tax Year (determined by using the District's actual maintenance and operations tax rate for such Tax Year) if the Parties had not entered into this Agreement. The calculation and comparison of the amounts described in clauses (i) and (ii) of the preceding sentence shall be included in all calculations made pursuant to Section 3.4, and in the event the sum of the amounts described in said clause (i) exceeds the amount described in said clause (ii), then the payments otherwise due from the Applicant to the District under Articles III and IV shall be reduced until such excess is eliminated.

Section 5.2. OPTION TO CANCEL AGREEMENT

In the event that any payment otherwise due from the Applicant to the District under Article III and/or Section 4.2 with respect to a Tax Year is subject to reduction in accordance with the provisions of Section 5.1 above, then the Applicant shall have the option to terminate this Agreement. The Applicant may exercise such option to cancel this Agreement by notifying the District of its election in writing not later than the July 31 of the year next following the Tax Year with respect to which a reduction under Section 5.1 is applicable. Any cancellation of this Agreement under the foregoing provisions of this Section 5.2 shall be effective immediately prior to the second Tax Year next following the Tax Year in which the reduction giving rise to the option occurred. Upon such termination this Agreement shall terminate and be of no further force or effect; provided, however, that the Parties respective rights and obligations under this Agreement with respect to the Tax Year or Tax Years (as the case may be) through and including the Tax Year during which such notification is delivered to the District, shall not be impaired or modified as a result of such termination and shall survive such termination unless and until satisfied and discharged.

ARTICLE VI

TAX CREDITS

Section 6.1. APPLICANT'S ENTITLEMENT TO TAX CREDITS

The Applicant shall be entitled to tax credits from the District under and in accordance with the provisions of Subchapter D of the Act and Comptroller Rules, provided that the Applicant complies with the requirements under such provisions, including the filing of a completed Application under Section 313.103 of the Texas Tax Code and Comptroller Rules.

Section 6.2. DISTRICT'S OBLIGATIONS WITH RESPECT TO TAX CREDITS

The District shall timely comply and shall cause the District's collector of taxes to timely comply with their obligations under Subchapter D of the Act and Comptroller Rules, including, but not limited to, such obligations set forth in Section 313.104 of the Texas Tax Code and either Comptroller and/or Texas Education Agency Rules.

Section 6.3. COMPENSATION FOR LOSS OF TAX CREDIT PROTECTION REVENUES

If after the Applicant has actually received the benefit of a tax credit under Section 6.1, the District does not receive aid from the State pursuant to Texas Education Code § 42.2515 or other similar or successor statute with respect to all or any portion of such tax credit for reasons other than the District's failure to comply with the requirements for obtaining such aid, then the District shall notify the Applicant in writing thereof and the circumstances surrounding the State's failure to provide such aid to the District. The Applicant shall pay to the District the amount of such tax credit for which the District did not receive such aid within thirty (30) calendar days after receipt of such notice, and such payment shall be subject to the same provisions for late payment as are set forth in Section 7.4 and 7.5. If the District receives aid from the State for all or any portion of a tax credit with respect to which the Applicant has made a payment to the District under this Section 6.3, then the District shall pay to the Applicant the amount of such aid within thirty (30) calendar days after the District's receipt thereof.

ARTICLE VII

ADDITIONAL OBLIGATIONS OF APPLICANT

Section 7.1. DATA REQUESTS

During the term of this Agreement, and upon the written request of one Party or by the Comptroller (the "Requesting Party"), the other Party shall provide the Requesting Party with all information reasonably necessary for the Requesting Party to determine whether the other Party is in compliance with its obligations, including any employment obligations which may arise under this Agreement. The Applicant shall allow authorized employees of the District, the Comptroller, and/or the Brazoria County Appraisal District to have access to the Applicant's

Qualified Property and/or business records, in accordance with Texas Tax Code Section 22.07, during the term of this Agreement, in order to inspect the project to determine compliance with the terms hereof or as necessary to properly appraise the Taxable Value of the Applicant's Qualified Property. All inspections will be made at a mutually agreeable time after the giving of not less than forty-eight (48) hours prior written notice, and will be conducted in such a manner so as not to unreasonably interfere with either the construction or operation of the Applicant's Qualified Property. All inspections may be accompanied by one or more representatives of the Applicant, and shall be conducted in accordance with the Applicant's safety, security, and operational standards. Notwithstanding the foregoing, nothing contained in this Agreement shall require the Applicant to provide the District, the Comptroller, or the Brazoria County Appraisal District with any technical or business information that is private personnel data, proprietary, a trade secret or confidential in nature or is subject to a confidentiality agreement with any third party.

Section 7.2. REPORTS TO OTHER GOVERNMENTAL AGENCIES

Applicant shall timely make any and all reports that are or may be required under the provisions of law or administrative regulation, including but not limited to the annual report or certifications that may be required to be submitted by the Applicant to the Texas Comptroller of Public Accounts under the provisions of Texas Tax Code § 313.032. Applicant shall forward a copy of all such required reports or certifications to the District contemporaneously with the filing thereof. The obligation to make all such required filings shall be a material obligation under this Agreement.

Section 7.3. APPLICANT'S OBLIGATION TO MAINTAIN VIABLE PRESENCE

By entering into this Agreement, the Applicant warrants that:

- (a) it will abide by all of the terms of the Agreement;
- (b) it will Maintain Viable Presence in the District through the Final Termination Date of this Agreement. Notwithstanding anything contained in this Agreement to the contrary, the Applicant shall not be in breach of, and shall not be subject to any liability for failure to Maintain Viable Presence to the extent such failure is caused by Force Majeure (as hereinafter defined), provided the Applicant makes commercially reasonable efforts to remedy the cause of such Force Majeure; and,
- (c) it will meet minimum eligibility requirements under Tax Code, Chapter 313 throughout the value limitation and tax-credit settle-up periods.

Section 7.4. CONSEQUENCES OF EARLY TERMINATION OR OTHER BREACH BY APPLICANT

(a) In the event that the Applicant terminates this Agreement without the consent of the District, except as provided in Section 5.2, or in the event that the Applicant or its successor-in-interest fails to comply in any material respect with the terms of this Agreement or to meet

any material obligation under this Agreement, after the notice and cure period provided by Section 7.8, then the District shall be entitled to the recapture of all ad valorem tax revenue lost as a result of this Agreement together with the payment of penalty and interest, as calculated in accordance with Section 7.5, on that recaptured ad valorem tax revenue. For purposes of this recapture calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Article III. Applicant shall also be entitled to a credit for any amounts paid to the District pursuant to Article IV.

(b) Notwithstanding Section 7.4(a), in the event that the District determines that the Applicant has failed to Maintain Viable Presence and provides written notice of termination of the Agreement, then the Applicant shall pay to the District liquidated damages for such failure within thirty (30) days after receipt of such termination notice. The sum of liquidated damages due and payable shall be the sum total of the District ad valorem taxes for all of the Tax Years for which a Tax Limitation was granted pursuant to this Agreement prior to the year in which the default occurs that otherwise would have been due and payable by the Applicant to the District without the benefit of this Agreement, including penalty and interest, as calculated in accordance with Section 7.5. For purposes of this liquidated damages calculation, the Applicant shall be entitled to a credit for all payments made to the District pursuant to Article III. The Applicant shall also be entitled to a credit for any amounts paid to the District pursuant to Article IV. Upon payment of such liquidated damages, Applicant's obligations under this Agreement shall be deemed fully satisfied, and such payment shall constitute the District's sole remedy.

Section 7.5. CALCULATION OF PENALTY AND INTEREST

In determining the amount of penalty or interest, or both, due in the event of a breach of this Agreement, the District shall first determine the base amount of recaptured taxes owed less all credits under Section 7.4 for each Tax Year during the term of this Agreement since the Commencement Date. The District shall calculate penalty or interest for each Tax Year during the term of this Agreement since the Commencement Date in accordance with the methodology set forth in Chapter 33 of the Texas Tax Code, as if the base amount calculated for such Tax Year less all credits under Section 7.4 had become due and payable on February 1 of the calendar year following such Tax Year. Penalties on said amounts shall be calculated in accordance with the methodology set forth in Texas Tax Code § 33.01(a), or its successor statute. Interest on said amounts shall be calculated in accordance with the methodology set forth in Texas Tax Code § 33.01(c), or its successor statute.

Section 7.6 MATERIAL BREACH OF AGREEMENT

Applicant shall be in Material Breach of this Agreement if it commits one or more of the following acts or omissions:

- (a) Applicant is determined to have failed to meet its obligations to have made accurate representations of fact in submission of its Application as is required by Section 8.13, below.

- (b) Applicant fails to Maintain Viable Presence in the District, as required by Section 7.3 of this Agreement, through the Final Termination Date of this Agreement.
- (c) Applicant fails to make any payment required under Articles III or IV of this Agreement on or before its due date.

- (g) Applicant makes any payments to the District or to any other person or persons in any form for the payment or transfer of money or any other thing of value in recognition of, anticipation of, or consideration for this Agreement for limitation on appraised value made pursuant to Chapter 313, Tex. Tax Code, in excess of the amounts set forth in Articles III and IV, above. Voluntary donations made by Applicant to the District after the date of execution of this Agreement, and not mandated by this Agreement or made in recognition of consideration for this Agreement for limitation on appraised value made pursuant to Chapter 313 are not barred by this provision.
- (h) Applicant fails to comply with any other term of this Agreement, or Applicant fails to meet its obligations under the applicable Comptroller's Rules, and under the Texas Economic Development Act.

Section 7.7 LIMITED STATUTORY CURE OF MATERIAL BREACH

In accordance with the provisions of Tex. Tax Code § 313.0275, for any full tax year which commences after the project has become operational, Applicant shall may cure the Material Breaches of this Agreement, defined in Sections 7.6(d) and 7.6(e) or 7.6(f), above, without the termination of the remaining term of this Agreement. In order to cure its non-compliance with Sections 7.6(d) and 7.6(e) or 7.6(f) for the particular Tax Year of non-compliance only, Applicant may make the liquidated damages payment required by Tex. Tax Code § 313.0275(b), in accordance with the provisions of Tex. Tax Code § 313.0275(c).

Section 7.8. DETERMINATION OF MATERIAL BREACH AND TERMINATION OF AGREEMENT

Prior to making a determination that the Applicant has committed a material breach of this Agreement, such as making a misrepresentation in the Application, failing to Maintain Viable Presence in the District as required by Section 7.3 of this Agreement, failing to make any

payment required under this Agreement when due, or has otherwise committed a material breach of this Agreement, the District shall provide the Applicant with a written notice of the facts which it believes have caused the material breach of this Agreement, and if cure is possible, the cure proposed by the District. After receipt of the notice, Applicant shall be given ninety (90) days to present any facts or arguments to the Board of Trustees showing that it is not in material breach of its obligations under the Agreement, or that it has cured or undertaken to cure any such material breach.

If the Board of Trustees is not satisfied with such response and/or that such breach has been cured, then the Board of Trustees shall, after reasonable notice to the Applicant, conduct a hearing called and held for the purpose of determining whether such breach has occurred and, if so, whether such breach has been cured. At any such hearing, the Applicant shall have the opportunity, together with their counsel, to be heard before the Board of Trustees. At the hearing, the Board of Trustees shall make findings as to whether or not a material breach of this Agreement has occurred, the date such breach occurred, if any, and whether or not any such breach has been cured. In the event that the Board of Trustees determines that such a breach has occurred and has not been cured, it shall also terminate the Agreement and determine the amount of recaptured taxes under Section 7.4 (net of all credits under Section 7.4), and the amount of any penalty and/or interest under Section 7.5 that are owed to the District.

After making its determination regarding any alleged breach, the Board of Trustees shall cause the Applicant to be notified in writing of its determination (a "Determination of Breach and Notice of Contract Termination.").

Section 7.9. DISPUTE RESOLUTION

After receipt of notice of the Board of Trustee's Determination of Breach and Notice of Contract Termination under Section 7.8, the Applicant shall have ninety (90) days in which either to tender payment or evidence of its efforts to cure, or to initiate mediation of the dispute by written notice to the District, in which case the District and the Applicant shall be required to make a good faith effort to resolve, without resort to litigation and within ninety (90) days after the Applicant's receipt of notice of the Board of Trustee's determination of breach under Section 7.8, such dispute through mediation with a mutually agreeable mediator and at a mutually convenient time and place for the mediation. If the Parties are unable to agree on a mediator, a mediator shall be selected by the senior state district court judge then residing in Brazoria County, Texas. The Parties agree to sign a document that provides the mediator and the mediation will be governed by the provisions of Chapter 154 of the Texas Civil Practice and Remedies Code and such other rules as the mediator shall prescribe. With respect to such mediation, (i) the District shall bear one-half of such mediator's fees and expenses and the Applicant shall bear one-half of such mediator's fees and expenses, and (ii) otherwise each Party shall bear all of its costs and expenses (including attorneys' fees) incurred in connection with such mediation.

In the event that any mediation is not successful in resolving the dispute or that payment is not received before the expiration of such ninety (90) days, the District shall have the remedies

for the collection of the amounts determined under Section 7.8 as are set forth in Texas Tax Code Chapter 33, Subchapters B and C, for the collection of delinquent taxes. In the event that the District successfully prosecutes legal proceedings under this section, the Applicant shall also be responsible for the payment of attorney's fees and a tax lien on the Applicant's Qualified Property and the Applicant's Qualified Investment pursuant to Texas Tax Code § 33.07 to the attorneys representing the District pursuant to Texas Tax Code § 6.30.

In any event where a dispute between the District and the Applicant under this Agreement cannot be resolved by the Parties, after completing the procedures required above in this Section, either the District or the Applicant may seek a judicial declaration of their respective rights and duties under this Agreement or otherwise, in any judicial proceeding, assert any rights or defenses, or seek any remedy in law or in equity, against the other Party with respect to any claim relating to any breach, default, or nonperformance of any covenant, agreement or undertaking made by a Party pursuant to this Agreement.

Section 7.10. LIMITATION OF OTHER DAMAGES

Notwithstanding anything contained in this Agreement to the contrary, in the event of default or breach of this Agreement by the Applicant, the District's damages for such a default shall under no circumstances exceed the greater of either any amounts calculated under Sections 7.4 and 7.5 above, or the monetary sum of the difference between the payments and credits due and owing to the Applicant at the time of such default and the District taxes that would have been lawfully payable to the District had this Agreement not been executed. In addition, the District's sole right of equitable relief under this Agreement shall be its right to terminate this Agreement.

The Parties further agree that the limitation of damages and remedies set forth in this Section 7.10 shall be the sole and exclusive remedies available to the District, whether at law or under principles of equity.

Section 7.11. BINDING ON SUCCESSORS

In the event of a merger or consolidation of the District with another school district or other governmental authority, this Agreement shall be binding on the successor school district or other governmental authority.

Section 7.12. ADDITIONAL APPLICANT OBLIGATIONS PRIOR TO END OF DEFERRAL PERIOD

As set forth in section 1.2, above, the Parties have agreed to the deferral of the Commencement Date for this Agreement until January 2, 2013. Applicant must, therefore comply with the following additional requirements in conformance with the provisions of 34 Tex. Admin. Code § 9.1054(h)(13). Not earlier than July 7, 2012, nor later than October 4, 2012, Applicant shall provide the District with an update on the project status. If there have been no material changes in the project schedule, cost projections, taxable value projections, or

employment projections made in the Application, Applicant shall notify the District and the Comptroller that no change in status has occurred. In the event that there has been any material change any data or projection submitted as a part of the Application, then Applicant shall within the time aforesaid time period deliver to the District and the Comptroller an Application amendment and/or supplement Application materials informing them of any material change in the Application materials. Additionally, prior to the Commencement Date, Applicant shall diligently comply with any written request from the District or the Comptroller to provide additional information necessary to evaluate the economic impact analysis for the conditions prior to the start of the Qualifying Time Period.

In the event that any information submitted pursuant to this Section results in the Comptroller's recommendation in favor of the project being changed to a negative recommendation by the Comptroller, then the District's Board of Trustees may, in its sole discretion immediately terminate this Agreement by giving Notice of said termination in accordance with the provisions of Section 8.1, below. After receiving such Notice, Applicant shall be entitled to invoke the Dispute resolution provisions set forth at section 7.9, above.
