NOTE: This form must be completed by an authorized representative of each approved applicant and each entity with property subject to the limitation agreement. It must be submitted to the school district by May 15th of every year using information from the previous tax (calendar) year. For limitation agreements where there are multiple company entities that receive a part of the limitation provided by the agreement: 1) each business entity not having a full interest in the agreement should complete a separate form for their proportionate share of required employment and investment information; and, 2) separately, the school district is required to complete an Annual Eligibility Report that provides for each question in this form a sum of the individual answers from reports submitted by each entity so that there is a cumulative Annual Eligibility Report reflecting the entire agreement.

Chapter 313 Annual Eligibility Form  
Scurry County Wind, LP

Additional Information and Calculations

The required qualifying job annual wage was calculated as follows:

1. Chapter 313.051 is applicable because Scurry County was an area qualified as a strategic investment area before that subchapter expired.<sup>1</sup>
2. Pursuant to 313.051(b), a property owner is required to create only at least 10 new jobs on the owner's qualified property.<sup>2</sup>
3. Further, at least 80% of these jobs (8 total) must be qualifying jobs, except that a qualifying job must pay 110% of the average weekly wage for manufacturing jobs in the region.<sup>3</sup>
4. Scurry County is in the West Central WDA.<sup>4</sup>
5. Pursuant to the most recent data compiled by the Texas Workforce Commission, the mean annual wage for all jobs in the manufacturing industry in the West Central WDA is \$33,904.<sup>5</sup>
6. At the 110% rate required by 313.051(b), the required annual wage for a qualifying job is \$37,294.
7. Thus, Scurry County Wind is required to employ at least 8 people at an annual wage of at least \$37,294.
