

Amendment No. 001

Attachment 24

IN THE CARSON COUNTY COMMISSIONERS COURT

CARSON COUNTY, TEXAS

A RESOLUTION

EXPRESSING THE INTENT OF THE COUNTY TO  
PARTICIPATE IN TAX ABATEMENT AGREEMENTS AND  
ESTABLISHING GUIDELINES FOR SUCH AGREEMENTS

Pursuant to Chapter 312 of the Texas Tax Code, Carson County may consider an application for tax abatement, designate a reinvestment zone and enter into a tax abatement agreement in accordance with these Guidelines and Criteria. It is the express intent of the Carson County Commissioners Court to promote economic development, but not at the expense of the County's natural resources or services provided to the general public. No application submitted under the following schedule deemed to have a substantially adverse effect on natural resources in the County or on County infrastructure (including roads and bridges) will be approved, unless the applicant can demonstrate just cause for such an exception.

I. Abatement Application Procedure

- A. Who May Apply. Any present or potential owner of taxable real property or interest in real property in Carson County may submit an application for tax abatement conforming to the requirements herein.

B. Eligible Improvements. Improvements eligible for abatement are limited to alternative and renewable energy and power facilities. Alternative or renewable energy and power facilities are the buildings and structures including fixed machinery and equipment used to produce electric power from a renewable or non-depletable power source.

C. Eligible Property. Abatement may be granted for the following property: new, expanded or modernized buildings and structures, fixed machinery and equipment; site improvements; other tangible items necessary to the operation and administration of the project or facility; and all other real and tangible personal property permitted by Chapter 312 of the Texas Tax Code. Taxes on real property may be abated only to the extent the property's value for a given year exceeds its value for the year in which the agreement is executed. Tangible personal property located on the real property at any time before the period covered by the agreement is not eligible for abatement. Tangible personal property eligible for abatement shall not include inventory or supplies.

Property in a reinvestment zone that is owned or leased by a member of the County Commissioners Court is excluded from property tax abatement.

D. Application Provisions. The application shall consist of a completed Carson County Tax Abatement Application Form, which shall contain the following:

- (1) information showing how the project meets the requirements of the criteria outlined in Section II below;
- (2) a map and description of the property;
- (3) a time schedule for completing the planned improvements;

- (4) the estimated taxable value or range of values of the project or facility; and
- (5) basic financial information about the applicant sufficient to enable evaluation of the application=s financial capacity.

E. Procedure for Consideration of Application. The procedure for consideration by the County of a Tax Abatement Application is as follows:

- (1) An applicant may request a Tax Abatement Application form from the County Clerk or County Attorney.
- (2) After an applicant completes the Tax Abatement Application, the application must provide a copy to each member of the Carson County Commissioner=s Court and the County Clerk and the County Attorney.
- (3) The Commissioners Court shall issue a determination at any time before the expiration of sixty (60) days from the date of receipt of the application regarding how to proceed with the application. The Commissioners Court shall choose either to deny the application, consider the application or consider the application on an expedited basis.
  - a. *Denial of Application.* If the Commissioners Court chooses to deny the application, it shall make a finding by majority vote at a regularly scheduled meeting that, after balancing the criteria described below in Section II, it is the judgment of the Commissioners Court that the

application should be denied.

- b. *Consideration of Application.* If the County determines that the application should be further considered, the Commissioners Court must hold a public hearing to obtain public input on the application. Not later than the seventh (7<sup>th</sup>) day before the date of the hearing, notice of the hearing must be (1) delivered in writing to the presiding officer of each taxing unit that includes in its boundaries real property that is to be included in the proposed reinvestment zone, and (2) published in a newspaper of general circulation in the County. At the hearing, the Commissioners Court evaluates the application against the criteria in Section II and decides by majority vote whether to designate the property for which the abatement is sought as a reinvestment zone. If the reinvestment zone is not designated, the application fails, although it may be amended and resubmitted. If the reinvestment zone is designated, the Commissioners Court shall pass an order to that effect. An order designating an area as a reinvestment zone is valid for five (5) years from the date of designation. Once the area is designated as a reinvestment zone, the Commissioners Court may then arrange to consider for approval of the tax abatement agreement between the applicant and the County at its next regularly scheduled meeting. At least seven days prior to entering into a tax abatement agreement, the County must give written notice of its intent to do so to the presiding officer of each taxing unit that includes in its boundaries real property that is to be included in the proposed reinvestment zone, along with a copy of the proposed tax abatement agreement. At the regularly scheduled meeting, the

Commissioners Court may finally vote by simple majority to enter into the tax abatement agreement, or to decline. An approved tax abatement agreement may be executed in the same manner as other contracts made by the County. A tax abatement agreement that is declined by the County may be amended and resubmitted to the County.

- c. Expedited Consideration of Application. If the County determines that the application should receive an expedited consideration, the Commissioners Court may combine the steps described in the preceding paragraph into a single, regularly scheduled meeting of the Commissioners Court, provided the County meets the procedural prerequisites for each step.

- F. Confidentiality. As required by Chapter 312.003 of the Texas Tax Code, information that is provided to Carson County in connection with an application or request for tax abatement under this chapter and that described the specific processes or business activities to be conducted or the equipment or other property to be located on the property for which tax abatement is sought is confidential and not subject to public disclosure until the tax abatement agreement is executed.

- G. Effect of Error or Variance with Application Procedure. Except where not allowed by state law, the County may waive application procedures or grant procedural variances as they deem appropriate.

- (7) the size of investment and number of temporary and permanent jobs involved, if any;
- (8) provisions for dispute resolution.

C. Duration and Portion of Abatement. A tax abatement agreement granted by Carson County shall be up to but not exceeding ten (10) years in duration and up to but not exceeding 100 percent (100%) in portion of ad valorem property taxes abated. At any time before the expiration of the agreement, the parties may agree to modify the agreement or to delete provisions that were not necessary to the original agreement.

The same procedural prerequisites for approval of the original agreement apply to modification of the agreement.

- D. Time Limit. Such agreement shall be executed with thirty (30) days after the passage of the resolution approving the agreement, unless the County and the applicant mutually agree otherwise.

#### V. Sunset and Amendment of Guidelines and Criteria
