Re: Application for Chapter 313 Value Limitation Agreement to the Snyder Independent School District from Dermott Wind, LLC

Dear Local Government Assistance and Economic Analysis Division:

The Snyder Independent School District Board of Trustees met at a duly posted meeting on March 10, 2016 and accepted an Application for Appraised Value Limitation on Qualified Property from Dermott Wind, LLC. The application was determined to be complete on March 22, 2016, and the completed application is enclosed. The school district would respectfully request that your office prepare an economic impact report on this application.

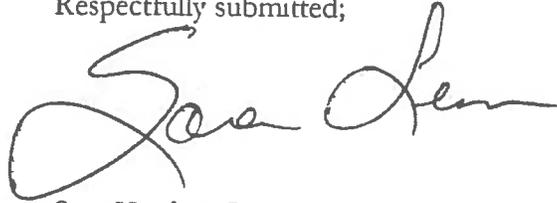

No construction has begun at the project site and the Applicant indicates that alternative sites out of state remain under consideration for this project by Dermott Wind, LLC. The school district has determined that the wage information included in the application represents the most recent wage data available at the time of the application, and that the wages the Applicant has committed to pay meet the required statutory minimum. The Applicant has requested a waiver of the job creation requirement pursuant to 313.025(f-1) of the Tax Code, and represents that the new jobs to be created on this project would meet or exceed industry standards for similar solar generation projects.

Please note that the Applicant has designated portions of its application as "confidential," and those portions have been redacted in the enclosed electronic version for posting on your website. The Applicant believes that disclosure of the designated confidential information would give an undue advantage to competitors in the wind market.

Included herein is an electronic and hard copy of the completed application together with a redacted version. A copy of the redacted application will be submitted, by copy of this letter, to the

Scurry County Appraisal District. The Snyder Independent School District's Board of Trustees looks forward to working with your office through the process of evaluating this Application.

Respectfully submitted;

A handwritten signature in black ink, appearing to read "Sara Leon". The signature is fluid and cursive, with a large initial "S" and "L".

**Form 50-296-A**

**INSTRUCTIONS:** This application must be completed and filed with the school district. In order for an application to be processed, the governing body (school board) must elect to consider an application, but — by Comptroller rule — the school board may elect to consider the application only after the school district has received a completed application. Texas Tax Code, Section 313.025 requires that any completed application and any supplemental materials received by the school district must be forwarded within seven days to the Comptroller of Public Accounts.

If the school board elects to consider the application, the school district must:

- notify the Comptroller that the school board has elected to consider the application. This notice must include:
  - the date on which the school district received the application;
  - the date the school district determined that the application was complete;
  - the date the school board decided to consider the application; and
  - a request that the Comptroller prepare an economic impact analysis of the application;
- provide a copy of the notice to the appraisal district;
- must complete the sections of the application reserved for the school district and provide information required in the Comptroller rules located at 34 Texas Administrative Code (TAC) Section 9.1054; and
- forward the original hard copy of the completed application to the Comptroller in a three-ring binder with tabs, as indicated on page 9 of this application, separating each section of the documents, in addition to an electronic copy on CD. See 34 TAC Chapter 9, Subchapter F.

The governing body may, at its discretion, allow the applicant to supplement or amend the application after the filing date, subject to the restrictions in 34 TAC Chapter 9, Subchapter F.

When the Comptroller receives the notice and required information from the school district, the Comptroller will publish all submitted application materials on its website. The Comptroller is authorized to treat some application information as confidential and withhold it from publication on the Internet. To do so, however, the information must be segregated and comply with the other requirements set out in the Comptroller rules. For more information, see guidelines on Comptroller's website.

The Comptroller will independently determine whether the application has been completed according to the Comptroller's rules (34 TAC Chapter 9, Subchapter F). If the Comptroller finds the application is not complete, the Comptroller will request additional materials from the school district. Pursuant to 9.1053(a)(1)(C), requested information shall be provided within 20 days of the date of the request. When the Comptroller determines that the application is complete, it will send the school district a notice indicating so. The Comptroller will determine the eligibility of the project, issue a certificate for a limitation on appraised value to the school board regarding the application and prepare an economic impact evaluation by the 90th day after the Comptroller receives a complete application—as determined by the Comptroller.

The school board must approve or disapprove the application not later than the 150th day after the application review start date (the date the application is finally determined to be complete), unless an extension is granted. The Comptroller and school district are authorized to request additional information from the applicant that is reasonably necessary to issue a certificate, complete the economic impact evaluation or consider the application at any time during the application review period.

Please visit the Comptroller's website to find out more about the program at [www.texasahead.org/tax\\_programs/chapter313/](http://www.texasahead.org/tax_programs/chapter313/). There are links to the Chapter 313 statute, rules, guidelines and forms. Information about minimum limitation values for particular districts and wage standards may also be found at that site.

  2. Commencement of construction \_\_\_\_\_
  3. Beginning of qualifying time period \_\_\_\_\_
  4. First year of limitation \_\_\_\_\_
  5. Begin hiring new employees \_\_\_\_\_
  6. Commencement of commercial operations \_\_\_\_\_
  7. Do you propose to construct a new building or to erect or affix a new improvement after your application review start date *(date your application is finally determined to be complete)*?  Yes  No
- Note:** Improvements made before that time may not be considered qualified property.
8. When do you anticipate the new buildings or improvements will be placed in service? \_\_\_\_\_

## SECTION 10: The Property

1. Identify county or counties in which the proposed project will be located \_\_\_\_\_
2. Identify Central Appraisal District (CAD) that will be responsible for appraising the property \_\_\_\_\_
3. Will this CAD be acting on behalf of another CAD to appraise this property?  Yes  No
4. List all taxing entities that have jurisdiction for the property, the portion of project within each entity and tax rates for each entity:
 

County: _____ <small>(Name, tax rate and percent of project)</small>	City: _____ <small>(Name, tax rate and percent of project)</small>
Hospital District: _____ <small>(Name, tax rate and percent of project)</small>	Water District: _____ <small>(Name, tax rate and percent of project)</small>
Other (describe): _____ <small>(Name, tax rate and percent of project)</small>	Other (describe): _____ <small>(Name, tax rate and percent of project)</small>
5. Is the project located entirely within the ISD listed in Section 1?  Yes  No
  - 5a. If no, attach in **Tab 6** additional information on the project scope and size to assist in the economic analysis.
6. Did you receive a determination from the Texas Economic Development and Tourism Office that this proposed project and at least one other project seeking a limitation agreement constitute a single unified project (SUP), as allowed in §313.024(d-2)?  Yes  No
  - 6a. If yes, attach in **Tab 6** supporting documentation from the Office of the Governor.

## SECTION 11: Investment

**NOTE:** The minimum amount of qualified investment required to qualify for an appraised value limitation and the minimum amount of appraised value limitation vary depending on whether the school district is classified as Subchapter B or Subchapter C, and the taxable value of the property within the school district. For assistance in determining estimates of these minimums, access the Comptroller's website at [www.texasahead.org/tax\\_programs/chapter313/](http://www.texasahead.org/tax_programs/chapter313/).

1. At the time of application, what is the estimated minimum qualified investment required for this school district? \_\_\_\_\_
2. What is the amount of appraised value limitation for which you are applying? \_\_\_\_\_
 

**Note:** The property value limitation amount is based on property values available at the time of application and may change prior to the execution of any final agreement.
3. Does the qualified investment meet the requirements of Tax Code §313.021(1)?  Yes  No
4. Attach a description of the qualified investment [See §313.021(1).] The description must include:
  - a. a specific and detailed description of the qualified investment you propose to make on the property for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (**Tab 7**);
  - b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your minimum qualified investment (**Tab 7**); and
  - c. a detailed map of the qualified investment showing location of tangible personal property to be placed in service during the qualifying time period and buildings to be constructed during the qualifying time period, with vicinity map (**Tab 11**).
5. Do you intend to make at least the minimum qualified investment required by Tax Code §313.023 (or §313.053 for Subchapter C school districts) for the relevant school district category during the qualifying time period?  Yes  No

**SECTION 12: Qualified Property**

1. Attach a detailed description of the qualified property. [See §313.021(2)] (If qualified investment describes qualified property exactly, you may skip items a, b and c below.) The description must include:
  - 1a. a specific and detailed description of the qualified property for which you are requesting an appraised value limitation as defined by Tax Code §313.021 (**Tab 8**);
  - 1b. a description of any new buildings, proposed new improvements or personal property which you intend to include as part of your qualified property (**Tab 8**); and
  - 1c. a map of the qualified property showing location of new buildings or new improvements with vicinity map (**Tab 11**).
2. Is the land upon which the new buildings or new improvements will be built part of the qualified property described by §313.021(2)(A)? .....  Yes  No
  - 2a. If yes, attach complete documentation including:
    - a. legal description of the land (**Tab 9**);
    - b. each existing appraisal parcel number of the land on which the new improvements will be constructed, regardless of whether or not all of the land described in the current parcel will become qualified property (**Tab 9**);
    - c. owner (**Tab 9**);
    - d. the current taxable value of the land. Attach estimate if land is part of larger parcel (**Tab 9**); and
    - e. a detailed map showing the location of the land with vicinity map (**Tab 11**).
  3. Is the land on which you propose new construction or new improvements currently located in an area designated as a reinvestment zone under Tax Code Chapter 311 or 312 or as an enterprise zone under Government Code Chapter 2303? . . . .  Yes  No
    - 3a. If yes, attach the applicable supporting documentation:
      - a. evidence that the area qualifies as a enterprise zone as defined by the Governor's Office (**Tab 16**);
      - b. legal description of reinvestment zone (**Tab 16**);
      - c. order, resolution or ordinance establishing the reinvestment zone (**Tab 16**);
      - d. guidelines and criteria for creating the zone (**Tab 16**); and
      - e. a map of the reinvestment zone or enterprise zone boundaries with vicinity map (**Tab 11**)
    - 3b. If no, submit detailed description of proposed reinvestment zone or enterprise zone with a map indicating the boundaries of the zone on which you propose new construction or new improvements to the Comptroller's office within 30 days of the application date. What is the anticipated date on which you will submit final proof of a reinvestment zone or enterprise zone? .....

**SECTION 13: Information on Property Not Eligible to Become Qualified Property**

1. In **Tab 10**, attach a specific and detailed description of all **existing property**. This includes buildings and improvements existing as of the application review start date (the date the application is determined to be complete by the Comptroller). The description must provide sufficient detail to locate all existing property on the land that will be subject to the agreement and distinguish existing property from future proposed property.
2. In **Tab 10**, attach a specific and detailed description of all **proposed new property that will not become new improvements** as defined by TAC 9.1051. This includes proposed property that: functionally replaces existing or demolished/removed property; is used to maintain, refurbish, renovate, modify or upgrade existing property; or is affixed to existing property; or is otherwise ineligible to become qualified property. The description must provide sufficient detail to distinguish existing property (question 1) and all proposed new property that cannot become qualified property from proposed qualified property that will be subject to the agreement (as described in Section 12 of this application).
3. For the property not eligible to become qualified property listed in response to questions 1 and 2 of this section, provide the following supporting information in **Tab 10**:
  - a. maps and/or detailed site plan;
  - b. surveys;
  - c. appraisal district values and parcel numbers;
  - d. inventory lists;
  - e. existing and proposed property lists;
  - f. model and serial numbers of existing property; or
  - g. other information of sufficient detail and description.
4. Total estimated market value of existing property (that property described in response to question 1): ..... \$ \_\_\_\_\_
5. In **Tab 10**, include an appraisal value by the CAD of all the buildings and improvements existing as of a date within 15 days of the date the application is received by the school district.
6. Total estimated market value of proposed property not eligible to become qualified property (that property described in response to question 2): ..... \$ \_\_\_\_\_

**Note:** Investment for the property listed in question 2 may count towards qualified investment in Column C of Schedules A-1 and A-2, if it meets the requirements of 313.021(1). Such property cannot become qualified property on Schedule B.

**SECTION 14: Wage and Employment Information**

1. What is the estimated number of permanent jobs (more than 1,600 hours a year), with the applicant or a contractor of the applicant, on the proposed qualified property during the last complete quarter before the application review start date (date your application is finally determined to be complete)? .....

2. What is the last complete calendar quarter before application review start date:  
 First Quarter     Second Quarter     Third Quarter     Fourth Quarter of \_\_\_\_\_  
 (year)

3. What were the number of permanent jobs (more than 1,600 hours a year) this applicant had in Texas during the most recent quarter reported to the Texas Workforce Commission (TWC)? .....

**Note:** For job definitions see TAC §9.1051 and Tax Code §313.021(3).

4. What is the number of new qualifying jobs you are committing to create? .....

5. What is the number of new non-qualifying jobs you are estimating you will create? .....

6. Do you intend to request that the governing body waive the minimum new qualifying job creation requirement, as provided under Tax Code §313.025(f-1)? .....  Yes     No

6a. If yes, attach evidence in **Tab 12** documenting that the new qualifying job creation requirement above exceeds the number of employees necessary for the operation, according to industry standards.

7. Attach in **Tab 13** the four most recent quarters of data for each wage calculation below, including documentation from the TWC website. The final actual statutory minimum annual wage requirement for the applicant for each qualifying job — which may differ slightly from this estimate — will be based on information from the four quarterly periods for which data were available at the time of the application review start date (date of a completed application). See TAC §9.1051(21) and (22).

a. Average weekly wage for all jobs (all industries) in the county is .....

b. 110% of the average weekly wage for manufacturing jobs in the county is .....

c. 110% of the average weekly wage for manufacturing jobs in the region is .....

8. Which Tax Code section are you using to estimate the qualifying job wage standard required for this project? .....  §313.021(5)(A) or  §313.021(5)(B)

9. What is the minimum required annual wage for each qualifying job based on the qualified property? .....

10. What is the annual wage you are committing to pay for each of the new qualifying jobs you create on the qualified property? .....

11. Will the qualifying jobs meet all minimum requirements set out in Tax Code §313.021(3)? .....  Yes     No

12. Do you intend to satisfy the minimum qualifying job requirement through a determination of cumulative economic benefits to the state as provided by §313.021(3)(F)? .....  Yes     No

12a. If yes, attach in **Tab 12** supporting documentation from the TWC, pursuant to §313.021(3)(F).

13. Do you intend to rely on the project being part of a single unified project, as allowed in §313.024(d-2), in meeting the qualifying job requirements? .....  Yes     No

13a. If yes, attach in **Tab 6** supporting documentation including a list of qualifying jobs in the other school district(s).

**SECTION 15: Economic Impact**

1. Complete and attach Schedules A1, A2, B, C, and D in **Tab 14**. Note: Excel spreadsheet versions of schedules are available for download and printing at URL listed below.

2. Attach an Economic Impact Analysis, if supplied by other than the Comptroller's Office, in **Tab 15**. (*not required*)

3. If there are any other payments made in the state or economic information that you believe should be included in the economic analysis, attach a separate schedule showing the amount for each year affected, including an explanation, in **Tab 15**.

SECTION 16: Authorized Signatures and Applicant Certification

After the application and schedules are complete, an authorized representative from the school district and the business should review the application documents and complete this authorization page. Attach the completed authorization page in Tab 17. NOTE: If you amend your application, you will need to obtain new signatures and resubmit this page, Section 16, with the amendment request.

## **Tab Item 4**

### **Detailed Description of the Project**

*Provide a detailed description of the scope of the proposed project, including, at a minimum, the type and planned use of real and tangible personal property, the nature of the business, a timeline for property construction or installation, and any other relevant information.*

Dermott Wind, LLC (“Dermott Wind”) is requesting a Chapter 313 Appraised Value Limitation Agreement from Snyder ISD for a proposed renewable energy project using wind turbines (the “Project”) to be constructed in Snyder ISD in northwestern Scurry County. The installed capacity of the proposed project is expected to be approximately 230 megawatts (MW). While turbine type and size have yet to be finalized, the current plan is to utilize 2.3 MW turbines. The Project is anticipated to cover over 30,000 acres of privately-owned land, all currently used as farmland or pasture, and such uses can continue as the Project is designed to be compatible with such activities. Construction of the Project is expected to commence in November 2016, and is anticipated to be complete in the fourth quarter of 2017. In addition to the wind turbines, the Project will also include an operations and maintenance building, a series of new access roads to the turbines, underground electrical collection cables, meteorological towers, a substation, and an overhead transmission line connecting to a substation at the Point of Interconnection to the new ERCOT transmission line. None of this property is covered under an existing appraisal district account number.

Approximately 200 construction workers are anticipated at peak of construction activity, and approximately 6 permanent, full-time workers are anticipated for the plant management and operations and maintenance functions for the entire project.

## **Tab Item 5**

### **Documentation to assist in determining if limitation is a determining factor:**

The Applicant for this Project has entered into a number of contracts related to the project, including long-term lease option agreements with area landowners and service agreements and scopes with various consultants (environmental, airspace, etc.) to assess the suitability of the site, and a request for studies leading to an interconnection agreement with the transmission provider. None of these contracts obligate Applicant to construct the Project.

In order for the project to qualify for the federal income tax Production Tax Credit (PTC), the Applicant was required to complete a minimum amount of PTC qualification work before the statutorily imposed deadline of December 31, 2015. This work consisted of earth-moving to prepare two holes for turbine foundations (though foundations were not installed) and installation of approximately 2,000 linear feet of road connecting the two foundation holes. These were not deemed taxable improvements by the Scurry County Central Appraisal District and no tax bill was delivered.

The Applicant is a national wind developer with the ability to locate projects of this type in other states within the United States and other regions within Texas with favorable wind characteristics. The Applicant is actively assessing and developing other projects outside of Texas that are competing for limited investment funds. This appraised value limitation is critical to the ability of the Project to move forward as currently sited.

Without the available tax incentives, the economics of the Project become far less attractive and the likelihood of selling the electricity at a competitive price will significantly decrease. The Applicant for this project is competing against other developers who have been offered or are in the process of applying for Value Limitation Agreements with other school districts. Obtaining the limitation is critical to the economic and competitive viability of this Project. Without the limitation approval, the Applicant would likely terminate the Project, including the aforementioned contracts, leases, and limited improvements, in order to reallocate resources in areas with more favorable economics.

## **Tab Item 6**

100% of the Project is anticipated to be located within Scurry County, Western Texas College District, the Scurry County Hospital District, and Snyder ISD.

## **Tab Item 7**

### **Description of Qualified Investment**

Dermott Wind, LLC plans to construct a 230 MW wind farm in Scurry County consisting of 100 turbines.

The Applicant is requesting an appraised value limitation on all of the property constructed or placed upon the real property within Snyder ISD. The qualified investment in Snyder ISD is expected to include approximately one-hundred (100) GE 2.3MW wind turbine generators, including 80m towers, nacelles, rotors with 116m rotor diameter, and reinforced concrete foundations, pads, underground and overhead electric collection cables, access roads, met towers, spare parts and control systems as necessary for the commercial generation of electricity. While the turbine locations have not yet been finalized, they are expected to be sited in a series of rows running approximately east to west in the northwestern part of Scurry County. The map in Tab 11 shows the preliminary turbine locations. The exact placement of these turbines is subject to ongoing planning, soil and geotechnical studies, and engineering and will be determined before construction commences.

In addition to the wind turbines, the Project will also include an operations and maintenance building that will likely be located in the approximate center of the Project. (It is also shown on the map in Tab 11.) The Project will also require a series of new access roads to the turbines, underground electrical collection cables, permanent meteorological towers, a substation, and an overhead transmission line connecting the project substation to the Point of Interconnection.

**Request For Waiver of Job Creation Requirement**

March 10, 2016

Deputy Superintendent Randy Burks  
Snyder ISD  
2901 37<sup>th</sup> Street  
Snyder, TX 79549

Re: Chapter 313 Job Waiver Request

Dear Deputy Superintendent Burks,

Please consider this letter to be Dermott Wind, LLC's formal request to waive the minimum new job creation requirement, as provided under Texas Tax Code 313.025(f-1).

The governing body of a school district may waive the new jobs creation requirement in Section 313.021(2)(A)(iv)(b) or 313.051(b) and approve an application if the governing body makes a finding that the jobs creation requirement exceeds the industry standard for the number of employees reasonably necessary for the operation of the facility of the property that is described in this application. Wind energy projects create a large number of full-time jobs during the construction phase, but these jobs are temporary by nature. Once the project is in operation, a small crew of full-time employees will maintain and operate the facility. Based upon our experience in the wind industry, we expect that six (6) employees would be needed to operate a 230 MW facility, and we can commit to creating six (6) full-time positions to fill those needs. All would be qualifying jobs as described in Section 313.021(3) of the Texas Tax Code.

The applicant requests that the Snyder ISD's Board of Trustees make such a finding and waive the job creation requirement. This waiver request is in line with industry standards for the job requirements for a wind energy facility of this size, as evidenced by limitation agreement applications that have been filed by other wind energy developers, and by documentation related to the development and operation of solar generation facilities.

The project stands to provide significant benefits to the community with respect to increased tax base and the ongoing royalty payments it will make to local landowners.

Kind Regards,

  
Will Furgeson  
Development Director  
Dermott Wind, LLC

<b>Total Qualified Investment (sum of green cells)</b>				\$292,000,000				

For All Columns: List amount invested each year, not cumulative totals.

Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application. Only tangible personal property that is specifically described in the application can become qualified property.

Column B: The total dollar amount of planned investment each year in buildings or nonremovable component of buildings.

Column C: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that will not become qualified property include investment meeting the definition of 313.021(1) but not creating a new improvement as defined by TAC 9.1051. This is proposed property that functionally replaces existing property, is used to maintain, refurbish, renovate, modify or upgrade existing property—described in SECTION 13, question #5 of the application.

Column D: Dollar value of other investment that may affect economic impact and total value. Examples of other investment that may result in qualified property are land or professional services.

Total Investment: Add together each cell in a column and enter the sum in the blue total investment row. Enter the data from this row into the first row in Schedule A2.

Qualified Investment: For the green qualified investment cell, enter the sum of all the green-shaded cells.

\* All investments made through the qualifying time period are captured and totaled on Schedule A1 [blue box] and incorporated into this schedule in the first row.  
 \*\* Only investment made during deferrals of the start of the limitation (after the end of qualifying time period but before the start of the Value Limitation Period) should be included in the "year prior to start of value limitation period" row(s). If the limitation starts at the end of the qualifying time period or the qualifying time period overlaps the limitation, no investment should be included on this line.  
 \*\*\* If your qualifying time period will overlap your value limitation period, do not also include investment made during the qualifying time period in years 1 and/or 2 of the value limitation period, depending on the overlap. Only include investments/years that were not captured on Schedule A1.

For All Columns: List amount invested each year, not cumulative totals. Only include investments in the remaining rows of Schedule A2 that were not captured on Schedule A1.  
 Column A: This represents the total dollar amount of planned investment in tangible personal property. Only include estimates of investment for "replacement" property if the property is specifically described in the application. Only tangible personal property that is specifically described in the application can become qualified property.

**GUIDELINES AND CRITERIA FOR GRANTING TAX ABATEMENTS  
IN REINVESTMENT ZONES**

**SCURRY COUNTY, TEXAS**

**I. PURPOSE**

The Development Corporation of Snyder, Inc., City of Snyder, Scurry County, and Western Texas College, hereinafter referred to as "DCOS", "City", "County", and "WTC" respectively are committed to the promotion of quality development in all parts of the City/community and to improving the quality of life for its citizens. In order to help meet these goals, DCOS will consider recommending tax phase-in, which includes the designation of reinvestment zones, application for tax abatements and entering into tax abatement agreements, to stimulate growth and development. It is the intent of DCOS, the City, the County, and WTC that such incentives will be provided in accord with the procedures and criteria outlined in this document. However, nothing in these Guidelines and Criteria shall imply or suggest to be construed to imply or suggest that tax entities are under any obligation to provide any incentives to any applicant. All such applicants for tax phase-in incentives shall be considered on an individual basis for both the qualification for abatement and the amount of any abatement.

**II. DEFINITIONS**

The attached Glossary is a list of words with their definitions that are found in this document, and the Glossary is incorporated herein by reference.

**III. GUIDELINES AND CRITERIA**

In order to be eligible for designation as a reinvestment zone and receive tax abatement, the planned improvement as a minimum must meet the following:

- (a) Be an Authorized Facility. A facility may be eligible for abatement if it is a(n):

Aquaculture/Agriculture Facility,  
Distribution Center Facility,  
Manufacturing Facility,  
Office Building,  
Regional Entertainment/Tourism Facility,  
Research Facility,  
Regional Service Facility,  
Historic Building in designated area,  
Wind Energy Facility, or  
Other Basic Industry.

(b) The project must add at least \$150,000 to the tax roll of eligible property except in regards to the historic downtown area where there are no minimums

In consideration of the request for designation as a reinvestment zone and to receive tax abatement, the following factors will also be considered:

(1) Jobs. The projected new jobs created including the number of jobs, the retention of existing jobs, the type of jobs, the average payroll, the total payroll and the number of local persons hired.

(2) Fiscal Impact. The amount of real and personal property value that will be added to the tax roll for both eligible and ineligible property, the amount of direct sales tax that will be generated, the infrastructure improvements by the City/County that will be required by the facility, the infrastructure improvements made by the facility, and the compatibility of the project with the City's/County's master plan for development.

(3) Community Impact.

The pollution, if any, as well as other negative environmental impacts affecting the health and safety of the community that will be created by the project:

The revitalization of a depressed area;

The business opportunities of existing local vendors;

The alternative development possibilities for proposed site;

The impact on other taxing entities; and/or

Whether the improvement is expected to solely or primarily have the effect of transferring employment from one part of Scurry County to another.

#### **IV. ABATEMENT AUTHORIZED**

(a) Authorized Date. A facility shall be eligible for tax abatement if it has applied for such abatement prior to the commencement of construction; provided, that such facility meets the criteria granting tax abatement in reinvestment zones created in Scurry County pursuant to these Guidelines and Criteria for a period not to exceed ten years.

b) Creation of New Value. Abatement may only be granted for the additional value of eligible property improvements made subsequent to the filing of an application for tax abatement and specified in the abatement agreement between the County and/or City and/or WTC and the property owner or lessee (and lessor if required pursuant to IV(E)), subject to such limitations as the Guidelines and Criteria may require.

(c) New and Existing Facilities. Abatement may be granted for new facilities and improvements to existing facilities for purposes of modernization or expansion. If the modernization project includes facility replacement, the abated value shall be the value of the new unit(s) less the value of the old unit(s).

(d) Eligible Property. Abatement may be extended to the value of the following: new, expanded or modernized buildings and structures, fixed machinery and equipment, site improvements plus that office space and related fixed improvements necessary to the operation and administration of the facility, and all other real and tangible personal property permitted by Chapter 312 of the Texas Tax Code.

(e) Ineligible Property. The following types of property shall be fully taxable and ineligible for abatement:

- land,
- animals,
- inventories,
- supplies,
- tools,
- furnishings and other forms of movable personal property,
- vehicles,
- vessels,
- aircraft,
- housing or residential property,
- hotels/motels,
- fauna,
- flora,
- retail facilities, except when housed in an historic structure, within the designated downtown district,
- Deferred Maintenance investments,
- property to be rented or leased except as provided in Part IV(f),
- any improvements including those to produce, store or distribute natural gas or fluids that are not integral to the operation of the facility,
- property owned or used by the State of Texas or its political subdivisions or by any organization owned, operated or directed by a political subdivision of the State of Texas.

(f) Owned/Leased Facilities. If a leased facility is granted an abatement, the agreement shall be executed with the lessor and lessee.

(g) Value and Term of Abatement. Abatement shall be granted effective with the January 1 valuation date immediately following the date of execution of the agreement. The value of new eligible properties shall be abated according to the approved agreement between applicant and the governing body. The governing body, in its sole discretion, shall determine the amount of any abatement. The table in the attached Exhibit "A", incorporated herein by reference, shall be the maximum abatement available, the actual amount of abatement granted is in the sole discretion of the Scurry County Commissioner's Court, but shall not exceed said maximum.

The abatement may be extended through an initial agreement and a subsequent agreement as may be required to comply with state law regarding the term of the reinvestment zone.

(h) Construction in Progress. If a qualifying facility has not been placed in service as of January 1 following execution of the abatement agreement, the taxpayer may apply for a one year extension of the term of abatement. Said extension must be applied for prior to the end of the calendar year in which the abatement agreement is executed.

(i) Taxability. From the execution of the abatement contract to the end of the agreement period, taxes shall be payable as follows:

- (1) The value of ineligible property as provided in Part IV(e) shall be fully taxable.
- (2) The base year value of existing eligible property as determined each year shall be fully taxable.
- (3) The additional value of new eligible property shall be taxable in the manner described in Part IV(g).

## **V. APPLICATION FOR TAX ABATEMENT**

(a) Any present or potential owner or lessee of taxable property in Scurry County may request the creation of a reinvestment zone and tax abatement by filing written request either with the DCOS or applicable taxing entity.

- (b) The application shall consist of a completed application form accompanied by
- (1) a general description of the proposed use and the general nature and extent of the modernization, expansion or new improvements to be undertaken;
  - (2) a descriptive list of the improvements which will be a part of the facility;
  - (3) a map and property description or a site plan;
  - (4) a time schedule for undertaking and completing the planned improvements;
  - (5) In the case of modernizing existing facilities, a statement of the assessed value of the facility, separately stated for real and personal property, shall be given for the tax year immediately preceding the application; and,
  - (6) The application form may require such financial and other information as deemed appropriate for evaluating the financial capacity and other factors of the applicant.

(c) Upon receipt of a completed application, the jurisdiction receiving such application shall notify in writing the presiding officer of the legislative body of each affected jurisdiction. Before acting upon the application, the jurisdiction receiving such application shall through public hearings

afford the applicant and the designated representative of any affected jurisdiction the opportunity to show cause why the abatement should or should not be granted. Notice of the public hearing shall be clearly identified on an agenda of the legislative body of the jurisdiction receiving such application to be posted at least seven (7) days prior to the hearing.

(d) The jurisdiction receiving the application shall approve or disapprove the application for tax abatement within forty-five (45) days after receipt of the application. The presiding officer of the legislative body of the jurisdiction receiving such application shall notify the applicant of the approval or disapproval promptly thereafter.

(e) A request for a reinvestment zone for the purpose of abatement shall not be granted if the jurisdiction receiving the application finds that the request for the abatement was filed after the commencement of construction, alteration, or installation of improvements related to a proposed modernization expansion or new facility.

(f) Variance. Requests for variance from the provisions of Subsections (a) through (e) of Part V. may be made in written form to the presiding officer of the jurisdiction receiving the application. Such request shall include a complete description of the circumstances explaining why the applicant should be granted a variance. Approval of a request for variance requires a three-fourths (3/4) vote of the governing body of the affected jurisdiction as provided in State Statutes.

## **VI. PUBLIC HEARING**

(a) Should any affected jurisdiction be able to show cause in the public hearing why the granting of abatement will have a substantial adverse effect on its bonds, tax revenue, service incapacity or the provision of service, that showing shall be reason for the jurisdiction receiving the application to deny the granting of ad valorem tax abatement

(b) Neither a reinvestment zone nor an abatement agreement shall be authorized if it is determined that:

- (1) There would be a substantial adverse affect on the provision of a government service or tax base of an affected jurisdiction.
- (2) The applicant has insufficient financial capacity.
- (3) Planned or potential use of the property would constitute a hazard to public safety, health or morals.
- (4) Planned or potential use of the property violates other governmental codes or laws.

## **VII. AGREEMENT**

(a) After approval of the tax abatement application, each affected jurisdiction shall formally pass a resolution and execute an agreement with the owner and/or lessee of the facility which shall include:

- (1) Estimated value to be abated and the base year value.
- (2) Percent of value to be abated each year as provided in Part IV(g) of these Guidelines and Criteria.
- (3) The commencement date and the termination date of abatement.
- (4) The proposed use of the facility, nature of construction, time schedule for undertaking and completing the planned improvements, map, property description and improvements list as provided in Part V of these Guidelines and Criteria.
- (5) Contractual obligations in the event of default, violation of terms or conditions, delinquent taxes recapture, administration and assignment as provided herein and other provisions that may be required for uniformity or by state law.
- (6) Amount of investment and/or average number of jobs involved for the period of abatement.
- (7) Said contract shall meet all of the requirements of Texas Tax Code Sec 312. et seq

(b) Such agreement shall be executed within thirty (30) days after the later of the date applicant has forwarded all necessary information to the jurisdiction receiving the application or the date of the approval of the application.

(c) Each affected jurisdiction shall make its own determination of abatement which shall not bind any other affected jurisdiction.

### **VIII. RECAPTURE**

(a) In the event that the facility is completed and begins producing product or service, but subsequently discontinues producing product or service for any reason excepting fire, explosion or other casualty or accident or natural disaster for a period of more than one (1) year during the abatement period, then the agreement shall terminate and so shall the abatement of taxes for the calendar year during which the agreement is terminated. The taxes otherwise abated for that calendar year shall be paid to each affected jurisdiction within the County within sixty (60) days from the date of termination.

(b) Should the jurisdiction establishing a reinvestment zone and signing a tax abatement agreement determine that a company or individual is in default according to the terms and conditions of its agreement, the jurisdiction shall notify the company or individual in writing at the address stated

in the agreement, and if such is not cured within sixty (60) days from the date of such notice ("Cure Period"), then the agreement shall be terminated. Further, it will be a default under a tax abatement granted pursuant to these Guidelines and Criteria if the owner of the eligible property subject to the abatement is delinquent in paying any undisputed taxes to any taxing authority in Scurry County, Texas.

- (c) In the event that the company or individual:
  - (1) allows its ad valorem taxes owed the County or an affected jurisdiction to become delinquent and fails to timely and properly follow the legal procedures for their protest and/or contest; or
  - (2) violates any of the terms and conditions of the abatement agreement and fails to cure same during the Cure Period;

the agreement shall be terminated and all taxes previously abated by virtue of the agreement will be recaptured and paid within sixty (60) days of the termination.

## **IX. ADMINISTRATION**

(a) The Chief Appraiser of the Scurry County Appraisal District shall annually determine an assessment of the real and personal property comprising the reinvestment zone. Each year the company or individual receiving abatement shall furnish the assessor with such information as may be necessary for abatement, including the number of new or retained employees associated with the facility. Once value has been established, the Chief Appraiser shall notify the affected jurisdictions which levy taxes on the amount of the assessment.

(b) The agreement shall stipulate that employees and/or designated representatives of the jurisdiction establishing the reinvestment zone and entering into a tax abatement agreement will have access to the reinvestment zone during the term of the abatement to inspect the facility to determine if the terms and conditions of the agreement are being met. All inspections will be made only after the giving of twenty-four (24) hours prior notice and will only be conducted in such manner as to not unreasonably interfere with the construction and/or operation of the facility. All County inspections will be made with one or more representatives of the company or individual and in accordance with its safety standards.

(c) Upon completion of construction the jurisdiction establishing the reinvestment zone and entering into a tax abatement agreement shall annually evaluate each facility and report possible violations of the contract and/or agreement to each affected jurisdiction.

(d) All proprietary information acquired by any affected jurisdiction for purposes of monitoring compliance with the terms and conditions of an abatement agreement shall be considered confidential.

## **X. ASSIGNMENT**

(a) Abatement may be transferred and assigned by the holder to a new owner or lessee of the same facility upon the approval by resolution of each affected jurisdiction, subject to the financial capacity of the assignee and provided that all conditions and obligations in the abatement agreement are guaranteed by the execution of a new contractual agreement with each affected jurisdiction.

(b) The contractual agreement with the new owner or lessee shall not exceed the termination date of the abatement agreement with the original owner and/or lessee.

(c) No assignment or transfer shall be approved if the parties to the existing agreement, the new owner or new lessee are liable to any affected jurisdiction for outstanding taxes or other obligations.

(d) Approval shall not be unreasonably withheld.

## **XI. SUNSET PROVISION**

(a) These Guidelines and Criteria are effective upon the date of the adoption and will remain in force for two (2) years, at which time all reinvestment zones and tax abatement contracts created pursuant hereto will be reviewed by each affected jurisdiction to determine whether the goals have been achieved. Based on that review, these Guidelines and Criteria may be modified, renewed or eliminated, providing that such actions shall not affect existing contracts.

(b) These Guidelines and Criteria do not amend any existing Industrial District Contracts or agreements with the owners of real property in areas deserving of specific attention as agreed by the affected jurisdiction.

(c) Prior to the date for review, as defined above, these Guidelines and Criteria may be modified by a two-thirds (2/3) vote of the affected taxing authorities, as provided for under the laws of the State of Texas.

## **XII. SEVERABILITY AND LIMITATIONS**

(a) In the event that any section, clause, sentence, paragraph or any part of these Guidelines and Criteria shall for any reason, be adjudged by any court of competent jurisdiction to be invalid, such invalidity shall not affect, impair, or invalidate the remainder of these Guidelines and Criteria.

(b) Property that is in a reinvestment zone that is owned or leased by the following cannot benefit from a tax abatement:

- (1) a member of the governing body of a municipality or by a member of a planning board or commission of the municipality; or

- (2) a member of the commissioners court or a member of a planning board or commission of the County is excluded from property tax abatement.

(c) If these Guidelines and Criteria have omitted any mandatory requirements of the applicable tax abatement laws of the State of Texas, then such requirements are hereby incorporated as a part of this Guideline Statement.
