
Supplemental Letter for FY 2014 Annual HUB Report for Agency Number 773

The University of North Texas System, agency 769, implements and manages the Historically Underutilized Business program for each of the university campuses under its system umbrella. These agencies include the University of North Texas at Denton – agency 752, the University of North Texas Health Science Center – agency 763, and the University of North Texas at Dallas – agency 773.

The University of North Texas System submits this supplement to the Annual Historically Underutilized Business (HUB) Report as evidence of our Good Faith Effort to utilize HUBs and to meet our HUB participation goals. Our outreach activities are summarized below:

- Toll Conference in September 2013
- Membership in the Texas Universities HUB Coordinators Alliance (TUHCA), and participation in their activities
- DFW Minority Supplier Development Council – February 2014
- DFW MSDC & DCCD – “How to do Business with Coop Agencies” – February 2014
- Choice Partners Lunch & Learn – April 2014
- Royce West Spot Bid Fair – May 2014
- University of North Texas Supplier Fair – June 2014
- Meetings throughout the year with HUB Vendors to help them connect with buyers on campuses
