

Supplemental Summary for Fiscal Year 2015 Annual HUB Report for Agency 745

The University of Texas Health Science Center at San Antonio is committed to demonstrating a good faith effort to assist Historically Underutilized Businesses in supplying the university with supplies, equipment and services. As a healthcare and research institution, the university must contract for goods and services for which there are nominal or no HUB sources identified, such as major medical and research equipment, medical and laboratory products, blood products, and oncology pharmaceuticals. Provided below is a representative list of outreach activities that serve as part of our continued mission to support the HUB Program good faith effort.
