Agency 464 – Fiscal 2015 Semi-Annual HUB Report Supplemental Letter

The Texas Board of Professional Land Surveying remains committed to the State of Texas Historically Underutilized Business (HUB) Program. The agency's goal is to make a good faith effort to maintain and expand contract opportunities for HUB vendors in the agency's procurement process. The effort is illustrated by the following activities since September 2014:

- Continue to purchase from Capital Rubber Stamp that holds WO/F HUB status
- Continue to purchase from Austin Ribbon and Computer that holds a WO/F HUB status
- Started purchasing from Longhorn Office Products in FY 15, whom holds HUB status
- Interviewed over 20 companies holding HUB status before solicitation was made for a new psychometrician for the agency (contractor utilized twice a year by the agency)
- Purchasing decisions all made by the agency's HUB Coordinator

The Texas Board of Professional Land Surveying supports the State of Texas HUB Program and will continue to make HUB participation a priority.

Sincerely,
