

Supplemental Summary for Fiscal Year 2016 Annual HUB Report for Agency 745

The University of Texas Health Science Center San Antonio is committed to demonstrating Good Faith Efforts to assist Historically Underutilized Businesses in providing the university with supplies, equipment and services. As a healthcare and research institution, the university must contract for goods and services for which there are nominal or no HUB sources identified, such as major medical and research equipment, medical and laboratory products, blood products, and oncology pharmaceuticals. Provided below is a representative list of activities that serve as our continued mission to support the HUB Program Good Faith Efforts.

- Conducted presentations and participated in discussion panels on “How to do Business with the UTHSC”
 - Vesa Health and Technology - HighGround Technologies Mentor-Protégé Program Sponsor
 - Business Opportunity Academy – Consortium Partner
