RE: Application to the Gregory-Portland Independent School District from Corpus Christi Liquefaction, LLC (Train 5)

(First Qualifying Year 2021)

To the Local Government Assistance & Economic Analysis Division:

By copy of this letter transmitting the application for review to the Comptroller's Office, the Gregory-Portland Independent School District is notifying Corpus Christi Liquefaction, LLC (Train 5) of its intent to consider the application for appraised value limitation on qualified property should a positive certificate be issued by the Comptroller. The company has provided the schedules in both electronic format and paper copies. The electronic copy is identical to the hard copy that will be hand delivered. The Applicant has requested that the value limitation begin in 2023.

The Applicant submitted the Application to the school district on June 23, 2015. The Board voted to accept the application on June 23, 2015. The application has been determined complete as of June 25, 2015. Please prepare the economic impact report.

The Applicant has requested a portion of Tab 11 of the Application be kept confidential. In accordance with 34 TAC 9.1053, the information that is the subject of this request is segregated from the supplemental materials submitted contemporaneously with this application, that is, the proprietary commercial information regarding the specific location of the possible project. The confidential materials are being submitted separately to protect against unintended disclosure. The public release of this information would reveal information which the company considers to be a trade secret. Furthermore, the public production of this information would cause the company to suffer substantial competitive harm and weaken its position in competitive siting decisions.
