The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your locally elected officials and all inquiries concerning your taxes should be directed to those officials.

The above tax estimates use last year's tax rates for the taxing units shown. The governing body of each unit (school board, county commissioners, and so forth) decides whether property taxes increase. The appraisal district only determines your property value. The taxing units will set tax rates later this year.

\* Your residence homestead is protected from future appraisal value increases in excess of 10% per year from the date of the last appraisal PLUS the value of any new improvements.

\*\* If you are 65 years of age or older and received the \$10,000 school tax exemption on your home last year from the school listed above, your school taxes for this year will not be higher than when you first received the exemption on this home. If you are disabled and received the \$10,000 school tax exemption on your home last year from the school listed above, your school taxes for this year will not be higher than the 2003 taxes or the first year you received the exemption, whichever is later. If your county, city, or junior college has approved a limitation on your taxes in the preceding year, your county, city, or junior college taxes will not be higher than the first year your county, city, or junior college approved the limitation or the first year you qualified for the limitation. If you improved your property (by adding rooms or buildings), your school, county, city, or junior college ceiling may increase for these improvements. If you are a surviving spouse, age 55 or older, you may retain the school, county, city, or junior college tax ceiling.

Contact the appraisal office if you disagree with this year's proposed value for your property or if you have any problem with the property description or address information. If the problem cannot be resolved, you have the right to appeal to the appraisal review board (ARB).

To appeal, you must file a written protest with the ARB before the deadline date:

Deadline for filing a protest: June 17, 2009  
 Location of hearings: 2612 COLLEGE AVE  
 ARB will begin hearings: July 14, 2009

Enclosed is a protest form to send the appraisal district office if you intend to appear and present evidence before the ARB. The ARB will notify you of the date, time, and place of your scheduled hearing. Enclosed, also, is information to help you in preparing your protest. You do not need to use the enclosed form to file your protest. You may protest by letter, if it includes your name, your property's description, and your reason for protesting.

If you have any questions or need more information, please contact the appraisal district office at 325-573-8549 or at the address shown above.

Sincerely,

LARRY CROOKS

Property taxes in Texas are assessed as of January 1st each year and cover a period of one year from that date. Tax statutes make no provisions for proration, therefore, a change of address during the year would have no effect on the tax liability established on January 1st of the calendar year. These tax statutes also make no provisions for proration in case the property is disposed of during the calendar year. Also, if you owned personal property described on the tax statement on January 1st, then you are personally liable for the taxes. IF YOU ARE 65 YEARS OF AGE OR OLDER OR ARE DISABLED, AND YOU OCCUPY THE PROPERTY DESCRIBED AT THIS DOCUMENT AS YOUR RESIDENCE HOMESTEAD, YOU SHOULD CONTACT THE APPRAISAL DISTRICT REGARDING ANY ENTITLEMENT YOU MAY HAVE TO A POSTPONEMENT IN THE PAYMENT OF THESE TAXES
