RE: Application to the Tulosso-Midway Independent School District from CCI Corpus Christi LLC

**(First Qualifying Year 2015)**

To the Local Government Assistance & Economic Analysis Division:

By copy of this letter transmitting the application for review to the Comptroller's Office, the Tulosso-Midway Independent School District is notifying CCI Corpus Christi LLC of its intent to consider the application for appraised value limitation on qualified property should a positive certificate be issued by the Comptroller. The Applicant submitted the Application to the school district on November 3, 2014. The Board voted to accept the application on November 3, 2014. The application has been determined complete as of November 6, 2014. Please prepare the economic impact report.

The project is located in an enterprise zone. The Applicant has provided evidence that the area qualifies as an enterprise zone as defined by the Governor's office and a map that shows where the proposed project is located in relation to the Enterprise Zone.

The Applicant has requested a portion of Tab 5 and portion of Tab 11 of the Application be kept confidential. In accordance with 34 TAC 9.1053, the information that is the subject of this request is segregated from the supplemental materials submitted contemporaneously with this application, that is, the proprietary commercial information regarding the specific location of the possible project. The confidential materials are being submitted separately to protect against unintended disclosure. The public release of this information would reveal information which the company considers to be a trade secret. Furthermore, the public production of this information would cause the company to suffer substantial competitive harm and weaken its position in competitive siting decisions.
