

APPLICATION FOR TAX CREDIT ON QUALIFIED PROPERTY (Tax Code, Chapter 313, Subchapter D)

School district name Wildorado ISD	First year of qualifying time period 2007
Address Box 120 - 307 North Locust, Wildorado, Texas 79098	Phone (area code and number) 806-426-3317
	Application filing date 1-11-10

This application is for credit for taxes paid on the portion of value in excess of the value limit under Tax Code Chapter 313 Subchapter B or C, in the two-year qualifying period. You must file this completed application with the school district before September 1 of the year immediately following the second year of the qualifying time period under Subchapter B or C. The school board must determine eligibility of this application before the 90th day from the application filing date. Subject to certain limitations, the school's tax assessor will apply annually one-seventh of the credit to taxes imposed on the qualified property for a seven-year period beginning with the tax year after the date the school board approves the application. Remaining credit may be applied to taxes in the tax credit settle-up period, as provided in Tax Code Section 313.104(2)(B).

Step 1: Applicant name and address

Only entities that received an appraised value limitation under Tax Code Chapter 313 Subchapter B or C are eligible for this tax credit.

Qualifying Time Period usually begins with the approval of the application and extends generally for the following two complete tax years.

Column A: This represents the total dollar amount of planned investment in tangible personal property the applicant considers qualified investment, as defined in Tax Code §313.02(1)(A)-(D). For the purposes of investment, please list amount invested each year, not cumulative total.

Column B: For the years outside the qualifying time period, this number should simply represent the planned investment in tangible personal property. For the years outside the qualifying time period, this number should simply represent the planned investment for probable replacement during business period. Includes estimates of investment for "replacement" property-property that is part of original agreement but scheduled for probable replacement during business period.

Column C: The total dollar amount of planned investment each year in buildings or improvements component of buildings that the applicant considers qualified investment under Tax Code §313.02(1)(E). For the years outside the qualifying time period, this number should simply represent the planned investment in new buildings or improvements components of buildings.

Column D: Dollar value of other investment that may not be qualified investment but that may afford economic impact and total value. The most significant example for many projects would be land. Other examples may be items such as professional services, etc.

Note: Land can be listed as part of investment during the "pre-year-1" time period. It cannot be part of qualifying investment.

The Certificate is restricted by 34 TAC Chapter 9, Subchapter F to request information from the school district or applicant that is reasonably necessary to complete the presentation or economic impact evaluation at any time during the applicant's review period.
