Dear Mr. Teal:

On June 15th, 2015 Hale Wind Energy Project 1, LLC submitted to your district an application under Texas Code, Chapter 313 for an Appraised Value Limitation Agreement. On June 14, 2015 the Comptroller's office subsequently advised that the application was complete and that it would move forward with its economic impact evaluation triggering the effective filing date of the Application.

The Abernathy Board of Trustees passed resolutions on November 19, 2015, February 19, 2016 and again on April 11, 2015 granting extension requests from Hale Wind Energy Project 1, LLC for approval and execution of an Agreement.

At this time, Hale Wind Energy Project 1, LLC is formally withdrawing the Value Limitation Agreement Application that it filed in June of 2015.

It is the intention of Hale Wind Energy Project 1, LLC to file a new Value Limitation Agreement Application with the Abernathy ISD which will more closely align the Application with the latest proposed timeline of the project.

Should you have any questions regarding this notice to withdraw the current Application, please feel free to contact me.

Sincerely,

J. Weston Jackson
