SUPPLEMENTAL LETTER FY 2015 ANNUAL HUB REPORT FOR AGENCY NUMBER 732

Texas A&M University-Kingsville (TAMUK) is fully committed to making a good faith effort to promote business with minority and women owned businesses and to enhance the opportunity for HUBs to compete for contracts and purchases. The University is an active participant in programs, forums, symposiums and meetings in its outreach program in an effort to reach as many HUBs as possible.

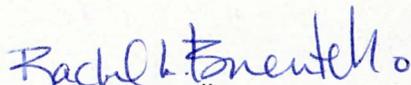

During Fiscal Year 2015, the University supported and/or participated in the following HUB outreach activities:

- The Texas A&M University System HUB Coordinator's Meeting & EOF/SMWVBO 2014; San Antonio, TX., December 9-10, 2014.

TAMUK, in partnership with two other South Texas Universities, is currently working towards obtaining new Mentor Protégé relationships with approved prime contractors and Historically Underutilized Businesses (HUBs). We will continue to work cooperatively to increase participation in our Mentor Protégé program.

TAMUK actively promotes the State of Texas HUB Program and believes that our good faith efforts have assisted in HUB growth and will continue to work diligently to encourage and promote HUB participation at our university.

Sincerely,

Rachel Buentello
University HUB Coordinator
Texas A&M University-Kingsville
